

One taste of Landlord FX's Amber Nectar and you'll be hooked! This is your new favourite overdrive pedal: with a range of textures, tones and gain levels available, you'll be able to dial in a taste that is as smooth or as potent as you prefer!

Operating Instructions

1. **TRUE BYPASS FOOTSWITCH:** Press to experience the golden taste of Amber Nectar!
2. **LED INDICATOR:** Shows status of effect: when LED is lit, the nectar is flowing!
3. **GAIN:** Dial in the potency of brew: this pedal is very responsive to picking dynamics, even at higher settings.
4. **LEVEL:** Determine the overall volume of Nectar.
5. **TONE:** Dial in your preferred amber: dark or bright with every stage in between. The tone control is very responsive, so lots of possibilities await!
6. **INPUT:** Connect your guitar to the Amber Nectar here.
7. **OUTPUT:** Send the sweet Nectar to your amp here.
8. **POWER ADAPTER INPUT:** Connect a standard 9v centre negative power adapter here for uninterrupted Amber.
9. **MODE SWITCH:**

HAMMERED – A much louder taste with punch and buzz to season the Amber flavour.

HALF CUT – A fantastic, expressive overdrive sound that maintains the inherent tone of your guitars.
